Learning Support Assistant for a Pupil with additional needs

Are you looking for a new challenge?

Halesowen C of E Primary School is looking for a learning support assistant who is passionate about always putting the needs of children first. We are looking for someone to support a wonderful young man who is on the autistic spectrum to achieve his potential every day in Year 6. This role would suit someone who is looking for a wonderful experience to enhance their future career chances as it is only for one year as the child leaves us for senior school next year.

We are looking for:

- Someone who is hardworking and determined, with a passion for supporting children with SEND
- A person who puts the needs of our children first and supports our children and families within our strong Christian ethos.
- Has experience of working within key stage 2.
- Supports and promotes excellent behaviour.
- Has experience of working with children on the autistic spectrum.
- Understands how to move children's learning on within a lesson and understands how to support a child on a one to one basis.
- Is willing to learn new things; reflecting and developing at all times.
- Is prepared to be challenged every day but looks forward to making a difference to the lives of our fantastic young people.

We can offer you a position at a school where no two days are the same, as they are filled with both challenges and achievements. We place high priority on staff well-being. As a church school we have a strong Christian ethos where children are respectful of all faiths and cultures. This school is a harmonious, happy place to work.

When asked, staff said the following:

"Halesowen C of E is a great place to work as all the staff support each other- there is always someone to ask, someone to listen..."

"Halesowen C of E gives you the opportunity to make a difference- providing children with experiences that they may not have the chance to have at home. Our children's enthusiasm and love makes all the hard work worth it."

"What makes this school great as a class teacher is that we are able to take risks and be creative- we are able to try new things without judgement"

We strongly encourage visits to the school so you can feel the family atmosphere.

'Pupils learn they each have talents and abilities that will be given an opportunity to flourish.' Ofsted 'Good' 2017

'One pupil said, 'The best thing about Halesowen is the staff, because they treat us like their family.' SIAMS 'Outstanding' 2017
