

**Fantastic news...**

**Magical Maths is coming to Halesowen C of E Primary School!!**

Magical maths is a super fun after school club designed to boost children's confidence and better engage them with maths.

Today the children had an exciting assembly to tell them all about this.

The KS1 and KS2 clubs runs for an hour a week after school beginning **Tuesday 6<sup>th</sup> November 2018** and will run for 6 weeks. Each week has a different theme and includes a dressed up character including Professor Poopenshtinken (maths genius), the Mathemagician, Stately Holmes (the maths detective) and the Olympic Mathletes! Parents receive weekly email updates to see what their child has been learning (but you must give your email address to obtain this).
