Pick a challenge to complete this week.

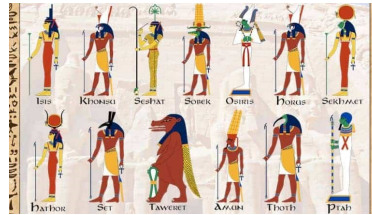

French

Write some short sentences in French to tell us what you like to wear when you go out for a meal and for when you are at home.

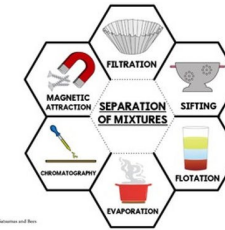

History

Research an Ancient Egyptian God or Goddess and find out why they were so important. Then, create your own God or Goddess and create a fact file on why they would be so important.

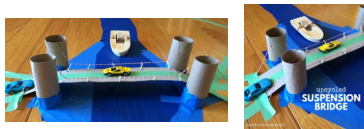

Science - Experiment

Create a poster to describe how once of the ways you can separate materials. E.g sieving, dissolving, filtering

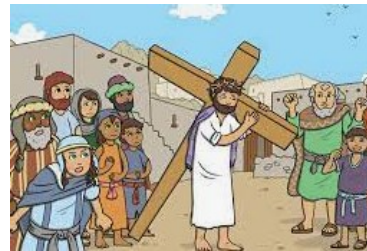

DT

Build yourself a bridge using different materials e.g paper, books, toys. What type of bridge have you made? How much weight can your bridge hold? Start adding weight to your bridge and record the weight once it collapses. Send a picture of your bridge for everyone to see

RE

Retell the Easter story in your own words. You may want to do this a written piece of work, using pictures or a comic strip.

PE

In PE, we have been looking at Volleyball and how to dig a ball into the air. Find an object or a crumpled piece of paper and see how many times you can continually dig the ball up in the air. Ask an adult to video you doing this.
