

Phonics, Spelling and Decoding

Can you read each sound and match it to the picture?

Mental maths and fluency

Practice counting in your 10s? Can you count forwards and backwards?

Reading

Look at the picture and answer these questions.

What do you think the weather is like outside? Why?

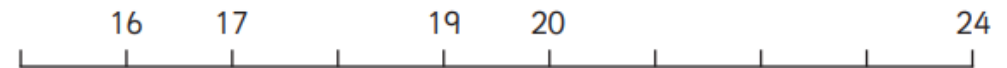

What do you think the children are going to do?

How do you think they are feeling? Why?

Maths

Fill in the missing numbers on the number lines.

Pick a challenge to complete this week.

Art

Can you make a sculpture based on the work of Luke Perry?

You could use cardboard, play-doh, plastic, or wood — get creative!

Geography

Think of your favourite place in our local area. Can you take a photo or draw a picture of it? You could even add a description to tell us a bit more about it.

Science

Can you create a fact file about your favourite animal?

You could include: the food it eats, its habitat, a description and the country it comes from.

PSHE

Draw a picture of what you would like to be when you grow up. Have a go at writing a sentence to explain your dream job.

RE

Can you create a poster to show how we can care for our planet and all of the creations on it?

PE

Can you practice your throwing and catching? You could ask a grown up to record it, We'd love to see your skills!
