

Reading

Look at the picture and answer these questions.

What can you see?

What makes this image so beautiful?

Who is the person?

Why are they holding a bike?

Where do you think they have they come from?

Why have they stopped?

Why is the person looking up?

Maths

Practice your 3 times table, you could ask a grown up to test you!

3 times table

$1 \times 3 = 3$

$2 \times 3 = 6$

$3 \times 3 = 9$

$4 \times 3 = 12$

$5 \times 3 = 15$

$6 \times 3 = 18$

$7 \times 3 = 21$

$8 \times 3 = 24$

$9 \times 3 = 27$

$10 \times 3 = 30$

$11 \times 3 = 33$

$12 \times 3 = 36$

Spelling

Practice spelling these common exception words— you could ask a grown up to test you.

often

pressure

sentence

opposite

probably

separate

ordinary

promise

special

Pick a challenge to complete this week.

DT

Can you design your own toy— make sure you include moving parts and a description of how it moves.

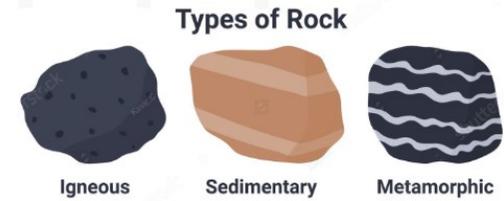

Geography

Can you create a fact file about the volcanoes in Italy, you could also make a model volcano to go with it!

Science

Can you collect different rock types and test how permeable they are? You could make a chart to show your findings.

PSHE

Draw a poster to show your hopes and dreams for the future.

RE

Read the story of Rama and Sita— what does this teach Hindus?

PE

Can you create your own dance to your favourite piece of music?
