Enchanted Forest

Ancient, gnarled oak trees gaze down upon the maze of glittering pathways that weave around them; their knotted, tangled limbs reach over the forest floor. Twisting and turning in every direction, each path mysteriously shifts its shape.

Across springy moss carpets, fallen crimson and orange leaves pave a mosaic floor. Pitted fungi peep out from behind tree stumps; their curved, speckled surfaces glisten with fresh dewdrops like pixie tears. Dandelion seeds (which shimmer in the daylight) fly like fairy dust through the whispering breeze in the sunbeam-filled glade.

In the distance, a gentle harmony of tinkling bells complements the melody of friendly birdsong. Butterflies flutter among the fragrant, wild blooms and the hypnotic buzz of bees fills the air.
