

Reading

Who is the person hanging from the clock tower?

How did he get there?

Who is the person holding him?

Are they allies or enemies? How do you know?

What are they doing here?

Does anyone know that they're there?

Why is there a drone in the foreground?

Does it belong to those characters or someone else?

Mental Maths

Answer these questions correctly. Time yourself and see how quick you answered them.

1) $142 - 10$

2) Half of 32

3) Multiply 7 by 3

4) Round 126 to the nearest 10

5) Double £1.24

How much money?

7) $300 + \underline{\quad} = 391$

Spelling

The words that are circled are incorrectly spelt. Write the correct spelling for each sentence in the box provided.

My (favrite) pie is apple and raspberry.

My gran is a very (speshial) person.

(Perrhaps) there was no one in when I knocked at the door.

The match will (continyou) in an hour.

Pete said he has had (enouff) now.

I got the (anzer) right!

Pick a challenge to complete this week.

History

Research a Greek god/goddess and design a house using Greek architecture with a modern twist that would represent them.

Geography

Choose a song of your liking and analyse it by answering the following:
What is the tempo? (fast or slow)
What are the dynamics? (loud or soft)
How does the music make you feel?
What instruments does the composer use?
Describe the song using two words
Get a piece of paper, play the song and draw what you imagine as you listen to it

Science

Recreate the solar system at home using different objects or you could have a go at making it using Lego, playdough, balls, etc

Art

Draw different objects from around your house? Try and add some light and dark shading to your drawings to create a 3D effect. Remember which direction your light source is coming from. Use the link to help you.

RE

Retell the Easter story in your own words. You can do this in whichever way you like. I.e comic strip, written story, pictures, drama/acting, song etc

PE

In PE, we have been looking at Volleyball and how to bump a ball into the air. Find an object or a scrunched up piece of paper and see how many times you can continually bump the ball into the air. Ask an adult to video you doing this.
