

# YEAR 6- SUMMER TERM 2

## Maths

We are learning:

Properties of Shape

Statistics- Circles and Pie

Charts

Algebra

## English

We are reading:

Letters from the Lighthouse

by Emma Carroll

We are writing:

A descriptive narrative,  
persuasive letter, information  
page and a poem.

## Topic — Battles, Blackout and Blitz

**Science**— Living things— Parts of a flower and how flowers reproduce, Forces— what and how forces affect movement, particularly air resistance. And revision of Science topics covered so far.

**Art**— Textiles related to postcodes that were embroidered in WW2. Looking at Joana Vasconcelos. Using textiles to create a contemporary WW2 piece

**DT**— Create a meal based on war time ration portions. Investigate savoury meals and ingredients to plan and create this meal.

**Music**— Happy by Pharrell Williams. Looking at pop and Neo Soul using recorders and singing to sing in parts and as a whole group.

**Computing**— Create a quiz using different question types ..

**PSHE**— Changing Me. Self image and body image, puberty and feelings, conception to birth, reflections about change, respect and consent and relationships.

**RE**— Why is the Torah so important? Understanding Jewish beliefs and how these are put into practice by Jews. - Why do some people believe in God and some do not? Understand different religious points of views and be able to explain why
