DATE: 20<sup>TH</sup> April- 24<sup>th</sup> April

## YEAR GROUP: Reception

**STORY:** Shark in the Park

## WHERE IS IT AVAILABLE? <a href="https://www.youtube.com/watch?v=Ketu-SWDyD0">https://www.youtube.com/watch?v=Ketu-SWDyD0</a>

DAY/ SUBJECT	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
MATHS	As you watch the video of the story can you count how many of each object you see? - People - Ducks - Trees - Teeth - Wheels - Red flowers - White flowers - Pink flowers What else can you find to count in the book?	Look out of a window in your house. Estimate how many of each thing you can see. Estimate means having a good guess. Then count, or have an adult help you to count and check. Were you right? How close was your guess? - Cars - Houses - Trees - Birds - Buildings - Windows - Flowers	WEDNESDAY         Look at the picture of the park.         Can you spot where the different things are?         Find something:         -       Behind         -       On top         -       In         -       In front of         -       Besides         -       Above         -       Near	<b>IHURSDAY</b> Draw a picture of a park.         Can you include all of         these different shapes         somewhere in your         picture:       -         -       Circle         -       Triangle         -       Square         -       Rectangle         -       Diamond         -       Oval         Or       Can you make a model of         a park- maybe use lego,       bricks, junk modelling?         Can you include these       shapes somewhere?         -       Sphere         -       Cube         -       Cubeid         -       Cylinder	<b>FRIDAY</b> People use the park to         exercise. How many of         these exercise can you         do in a minute? Use a         watch, phone, clock or         counting to time 1         minute.         -         Star jumps         -         Toe taps         -         Hops         -         Catching a         ball    Try some of your own exercises. Who can do the most in 1 minute in your house? Can you practice and improve your score?
