Hi everyone,

We are all currently facing a very uncertain time, something that the majority of us will never have faced before and probably did not ever imagine we would.

We do not know how long this will go on for and what the Government will say next. I have therefore provided a list of numbers that may be useful to you at some point.

Please do not be worried about asking for help during these uncertain times. If you are unsure about something, you can contact us and we will try and help and point you in the right direction.

Take care and look after yourselves.

Kindest regards,

Mrs Carroll
Pastoral Lead
