-----

## How to Make Your Own Comic

### You will need:

- plain A4 paper
- ruler
- pencil or pen
- coloured crayons or colouring pens

### Instructions

1. Think of an idea for a story and choose a title.
2. Determine whether your comic will be landscape (long side of paper at the top) or portrait (short side of paper at the top).
3. Divide your A4 paper into boxes (panels) in which each piece of action will take place.
4. Draw a picture inside each panel to build up your story. You could add speech or thought bubbles and onomatopoeia for sound effects.
5. If needed, repeat on other sheets of paper to complete your comic.
6. Colour in your pictures, making them bold and bright.

2) What might happen if step 3 was removed?

-----

3) Which of the following is the best description of this text type? Tick one.

- |                                 |  |
|---------------------------------|--|
| <input type="radio"/> fact file | <input type="radio"/> instructional text |
| <input type="radio"/> biography | <input type="radio"/> narrative          |

# Maths —

90% of 80 = \_\_\_\_\_

45% of 160 = \_\_\_\_\_

5% of 10 = \_\_\_\_\_

35% of 40 = \_\_\_\_\_

50% of 10 = \_\_\_\_\_

55% of 50 = \_\_\_\_\_

25% of 100 = \_\_\_\_\_

85% of 110 = \_\_\_\_\_

## Spelling.

Underline and correct the words spelt incorrect.

1. He rudely interupted the politician's speech.
2. He proudly pinned the medal on his friend's uniform.
3. The tall women went to visit her aunt in hospital.
4. We kept our old possessions down in the cellar.
5. Many special events such as Valentines Day fall in Febuary.

Pick a challenge to complete this week.

## DT

Research different meals that would have been eaten during World War 2. Collect a list of ingredients for 1 of these meals and have a go at cooking at home with an adult. Send in your photos showing off your amazing cooking skills

## RE

Create a poster giving information about the 5 pillars of Islam. You can do this using a computer or by using crayons or felt tips.

## Science

Investigate friction at home. What surfaces are easier or harder to cycle on?

Use toy cars to slide down a ramp and across different surfaces like a table, carpet or pavement. What do you notice about how far they travel?

Write a short description of what you did and what you noticed.

## PE

Go outside on your bike/skateboard/scooter for 30 minutes.

Go for a jog around your nearest park for 25 minutes.

Go for a walk around the block after dinner with your family.

Complete five sets of star jumps. Make each set one minute long. Rest in between each set.

Go to the nearest park and play with your friends, family or pet for 30 minutes.

## History

During the war, families built Anderson shelters to protect themselves during air raids. Find some interesting facts about Anderson shelters and then build one out of material at home.

French- Create a French Food menu like this.

Le menu	
 un sandwich au fromage .....	€3,00
