

Writing

Can you describe what was happening at this workshop when we visited the Black Country Museum?

Mental maths and fluency

$$62 + 1 = \square$$

$$62 + \square = 64$$

$$62 + 3 = \square$$

$$62 + \square = 66$$

Maths

1a. Anna counted balloons.

Red	
Yellow	
Green	

$$\text{1 red balloon} = 2$$

The most common colour of balloon was red.

Is she correct? Explain why.

Pick a challenge to complete this week.
