

Reading

Teacher's desk.

Where are they?
What might the boy say?
What might the teacher say?
What could happen next?

Mental maths and fluency

Count in steps of 7.

0	7							
---	---	--	--	--	--	--	--	--

I buy 9 bags of tomatoes. How many tomatoes do I have altogether?

It is, 'buy 1 get 2 free!' I buy 4 bags of tomatoes.
How many tomatoes do I have now?

Spellings— Circle the correct spelling

Box 1	Box 2	Box 3	Box 4
1 <u>peice</u>	1 <u>recive</u>	1 increase	1 <u>reciept</u>
2 <u>piese</u>	2 receive	2 <u>increese</u>	2 receipt
3 piece	3 <u>recieve</u>	3 increase	3 receipt
4 <u>pieece</u>	4 receive	4 <u>increes</u>	4 receipt

Maths— Write these out using the column method.

Addition and Subtraction

4. $76 + 209 + 6521 =$

5. $5.99 + 21.66 =$

6. $8078 - 2346 =$

Pick a challenge to complete this week.

History

We would like you to research key sporting event throughout the world that may have had an impact on sport today.

DT

Investigate the furniture in your house. Can you try to find out the designer your furniture was inspired by? We wonder how many different styles and designers ideas you have within your homes.

Science

Carry out an investigation about sound. Place various object in front of your ear, does this object increase or decrease the noise level when someone speaks to you.

French

<https://youtu.be/QIsHH-7JmiI>

Use this video to help with learning colours in French. Create a picture for someone to colour but write only French colour names for them to use.

RE

What is the most important part of Christmas from the bible for you? Create your own Christmas blessing about what you are thankful for.

PE

Create a sequence of the dance movements you have learnt at school for a family member.
