# Reading:

Read the first section in your SATS booster book— Fiction

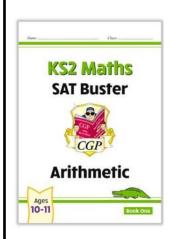

The Baking Baltle.

Pages 6,7,8 and 9.

Arithmetic

Your maths teacher will set you your work.

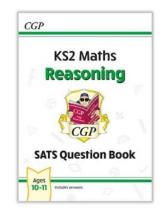

SPAG

Answer the questions on sentences. Pages 6,7,8 and 9.

Reasoning

Your Maths teacher will set your work.

## Pick a challenge to complete this week.

Ark

Go outside and find somewhere quiet to sketch. Look at your surroundings and look closely at what you can see. Sketch it. You could add colour like Georgia O'Keeffe, or make it more dull like Edward Hopper.

#### Geography

Pick a state from the United Staes of America.

Research it and present your findings in a poster, Power Point, Video, booklet or something else. It will be your choice.

Include the physical and human features of the state.

#### Science

What happens to your body when you exercise? Count your heart beats and number of breaths you take before you do some exercise.

Then repeat this afterwards and see what has happened.

Do this again. Are the results the same?

© Healthorise, Inco

French
Make a poster
showing the
numbers to
50 in French.
We will
display these
in the
classroom.

RF

We sing the Lords' Prayer in our Worship. Now try and make it into a children's book. Make it colourful and child friendly to read.

### **PSHE**

Choose a dream or a goal that you have for your future. Create a step-by-step plan to achieve it.

If it is a job, what education do you need?

If it is a sport, how do you join a club or what training will you need?

Remember to make your dream achievable!

follow your dreams

Year 6's Home Learning Homework due back on Wednesday 5th February
