

# Adam and Eve - The Fall

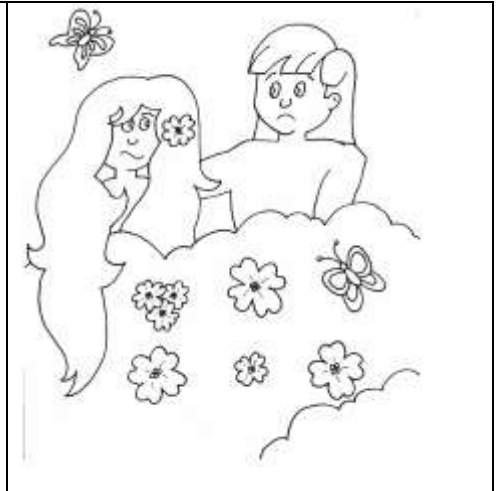

God made a beautiful Garden in Eden. He placed Adam and Eve in the middle of it.

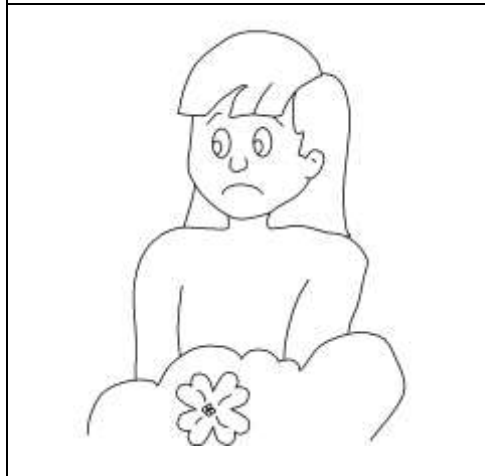

God said that the fruit of the tree in the middle of the garden was forbidden. It would give the knowledge of Good and Evil

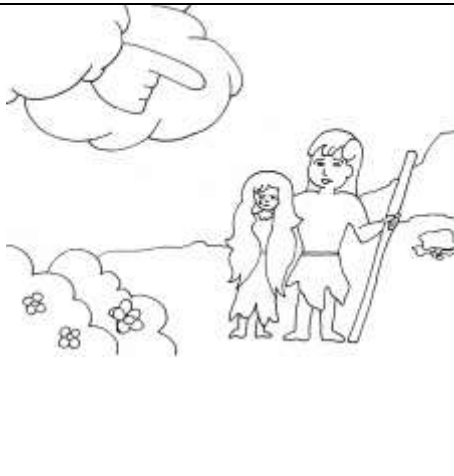

The Serpent tempted Eve to eat the fruit. He said she would be like God if she ate it. She took a piece and gave it to Adam to eat.

When they ate the fruit they realized they were naked and hid themselves. God came to the garden. He asked them why they were hiding.

When Adam and Eve answered God he knew they had disobeyed him and eaten the fruit.

Eve explained that the Serpent had tempted her and she had given in. Adam blamed Eve. God told them he would have to banish them.

They were sent from Eden and God placed a flaming sword was placed at the gate to stop them from returning.

They had to make their way in the world and it was hard. Adam had to struggle to work the land and Eve had pain in child-birth.
