

## Time to think

Read the part of the bible story known as The Fall. This is when Adam and Eve are tempted by the serpent (snake) offering them the forbidden fruit. Think about the following words and how they are shown in the story.

Sin	Meaning	How was this shown in the story?
<b>Disobedience</b>	Refusing to follow a rule/rules	
<b>Blame</b>	Giving responsibility to someone for doing something wrong	
<b>Knowledge of Evil</b>	Understanding the pain and suffering in the world	

## Time to think

**1.**

Think about a time when you have been tempted to do something wrong (e.g played a computer game when you were told not to- ). Did you do it?

**2.**

How did you feel afterwards?

Did you learn anything? Would you break this rule again/ or how did you stop yourself from breaking the rule?

Why do you think it is important to follow rules?
