Pick a challenge to complete this week.

History

Find out about a Roman building.  
Create a fact file all about it.  
You could even make a model of it too.

Geography

Find out about volcanic eruptions. Create a volcano model from junk modelling.  
Watch the video to see how to make an erupting volcano and give it a go yourself.

Science

Design a Roman Chariot. Think about the best materials to make it from.  
Explain why you have used the materials in your design.

DT

Italians are famous for many foods other than pizza. Can you find out some other Italian dishes?  
You could look for them in the supermarket; or design a menu for an Italian meal; or have a go at cooking an Italian dish.

RE

Create a poster showing facts about Hindus.  
You can include ones that you have learnt in school or ones you find out yourself.

Music

Write the words for a marching song that the Romans could sing while they marched.
