The Outstanding Olympics

Do you believe that you have the power needed to compete against men with Heracleian strength? Yes? Well, if I were you, I would apply for this outstanding opportunity to be a part of the Spartan Olympic team and honour Zeus (the King of the Gods).

You will have the chance to choose between javelin, discus, jumping, pankration (a combination of boxing and wrestling), chariot racing or running. Strength of mind and body are required for all events but especially the marathon, when you will be required to run bare-footed in memory of Phidippides, who helped win the Battle of Marathon with his epic running.

Women need not apply.

R: What is "pankration"?

V: Find two words that are synonyms to each other.

E: Why does the author include a sentence in the subjunctive mood (statements that are imagined) following the initial question?

I: Why do you think the advert ends with the phrase "Women need not apply?"
