

Reading:

Read the first section in your SATS booster book— Non Fiction

Complete up to the end of page 11

Arithmetic

Your maths teacher will set you your work.

SPAG

Pages 2 and 3

Pages 42 and 43

Reasoning

Your Maths teacher will set your work.

Pick a challenge to complete this week.

Art

Go outside and find somewhere quiet to sketch. Look at your surroundings and look closely at what you can see. Sketch it. You could add colour like Georgia O'Keeffe, or make it more dull like Edward Hopper.

Geography

Pick a state from the United States of America. Research it and present your findings in a poster, Power Point, Video, booklet or something else. It will be your choice.

Include the physical and human features of the state.

Science

What happens to your body when you exercise? Count your heart beats and number of breaths you take before you do some exercise. Then repeat this afterwards and see what has happened. Do this again. Are the results the same?

French

Make a poster showing the numbers to 50 in French. We will display these in the classroom.

RE

We sing the Lords' Prayer in our Worship. Now try and make it into a children's book. Make it colourful and child friendly to read.

The Lord's Prayer

Our Father, who art in heaven,
hallowed be thy name.
Thy Kingdom come,
thy will be done,
on earth as it is in heaven
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass
against us.
And lead us not into temptation,
but deliver us from evil.
For thine is the kingdom,
the power and the glory.
for ever and ever.
Amen

PSHE

Choose a dream or a goal that you have for your future. Create a step-by-step plan to achieve it. If it is a job, what education do you need? If it is a sport, how do you join a club or what training will you need? Remember to make your dream achievable!
