

# Halesowen Church of England's Learning at Home Information

## Australia.

Here are some ideas our staff have come up for Australia.

- Create an information booklet of the most dangerous animals/reptiles found there.
- Make a Koala bear mask
- Make a paper plate koala bear. Paint the plates, make the ears and use cotton wool on the ears.
- Australian animal factfile. Chn to research Australian animals and create a fun fact file.
- Paint the Great Barrier Reef
- make a boomerang and decorate it using aboriginal art.
- Make the Australian flag.
- What would can take to Australia? Have a suitcase template. Can draw and label items they would take there
- Write/daw a story about an Australian adventure.
  - This could be based in the jungle, desert, rainforest. Chn can chose where the adventure story is based.
  - Include who, what, where, why, when.
- Create a Bondi beach scene. Sand should be available in KS1 and EYFS
- Aboriginal art - research aboriginal art and can to imitate using paint/felts/crayons. Could use cotton buds with paints rather than paint sticks.
- Look at aboriginal symbol flash cards on Twinkl. Can create their own or imitate these.

## Halesowen Church of England's Learning at Home Information

- Write an acrostic poem about famous landmarks
- Sketch the Sydney Opera House
- Sydney harbour bridge: bridge building challenge (junk modelling, lego, duplo, cubes)
- Music- make a rain maker stick. Experiment how can it sound different by putting different things inside e.g. rice, beads...
