

Reading: Inference

On the left hand side are some sentences. On the right hand side are what can be inferred from the sentences. Can you match the two?

1) They piled their plates high with food.

2) They cheered so loudly that they could be heard at the other end of the street.

3) With their heads hung low, they looked sadly at each other.

4) They wore the football strips of the teams they were supporting.

5) They cycled five miles to the park before starting their weekly run.

6) They took their coats with them when they set off to the football match.

7) They knew everything about each other.

8) They were able to walk to each others' homes.

a) They were feeling disappointed and miserable.

b) It looked like it was going to rain.

c) They had good appetites.

d) They supported different teams.

e) They were very excited.

f) They made an effort to keep fit.

g) They lived close to each other.

h) They had been friends for a long time.

Mental Maths and Fluency

John says, "Every multiple of 5 ends in 5"

Is he correct? Circle Yes or No Yes No

Explain how you know

Spelling. Can you identify and correct the misspelt words?

From being very young, Joe had always had a natchural talent for riding a bicickle. On his aith birthday, he wasn't just given a regular kid's bike but a five-star stunt bike made from a lightweight materiul perfect for doing his flips and jumps. Luckily, just oposit his house was a skate park so he trained at lenth to become the best rider he could be. Over the years, he had many injuries, which included many cuts and bruises, five seperet broken bones; not to menchun the time he lost his front teeth! I suppos that's what can happen when you de-side to attempt a full circle somersault in mid-air!

Pick a challenge to complete this week.

History

"Beowulf" is a Viking saga that tells the adventures of Beowulf and his defeat of a vile monster called Grendel. The poem is over 3000 lines long! What do you think Grendel might have looked like? Create a picture. You could paint, colour or even collage it.

Music

We have talked a lot this year about different musical genres when listening and appraising. Complete the "Identifying Music Genres" quiz set on Purple Mash. You could find some songs from each genre to listen to, to help you. Can you identify any of the instruments?

Science

Carry out a "sound survey". This could be in your home, while out and about, or on your journey to school. What sounds can you hear? Are they loud or quiet? Are they high or low? Record your findings and compare the different areas.

Art

Research Pop Art, an art movement made famous by the likes of Andy Warhol. Can you find out some information about it and then create your own picture in the style of Andy Warhol?

RE

You are learning about family life and festivals in different faiths. What traditions and festivals do you celebrate in your family? How do you celebrate them? How are they the same and how do they differ to the faith you are studying at school?

PE

The Ashes is about to start. It is a very famous cricket competition between England and Australia. Can you find out a bit about it? Why is it called the Ashes? You could also do some research into this year's teams, players and grounds.
