

Phonics, Spelling and Decoding

Can you correctly label each picture— they are spelt using your alternative sounds.

Mental maths and fluency

Complete these addition calculations — can you find the number bond to 10 in each one to help you?

$$3 + 5 + 7 =$$

$$5 + 4 + 5 =$$

$$9 + 7 + 1 =$$

$$3 + 7 + 8 =$$

$$1 + 5 + 9 =$$

$$6 + 7 + 4 =$$

$$8 + 2 + 2 =$$

Reading

Look at the picture and answer these questions.

How do you think the family will feel when they find the octopus?

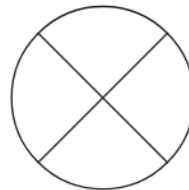

Who do you think put the octopus in the sink?

How do you think the octopus is feeling?

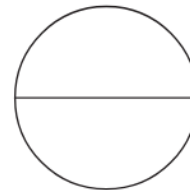

Maths

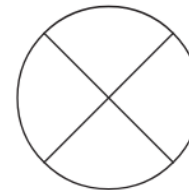

Read and colour the fractions.

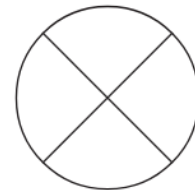

one quarter

one half

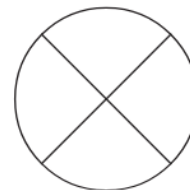

three quarters

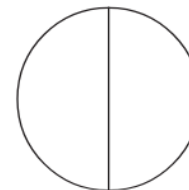

whole

one third

one quarter

whole

two thirds

Pick a challenge to complete this week.

Art

Can you use some natural dyes— such as cold coffee, tea or beetroot to create a painting?

Geography

Can you create a fact file about The Gambia and what life is like.

Science

Can you spot some plants and flowers in your local area? This could be your garden, the park or just on the way to school. You can then create a life cycle for one of the plants or flowers you find.

PSHE

Can you draw a picture of all the special people in your life— this could be grown ups, children or pets!

RE

Can you research the rules about handling and reading the Quran. Why is it important that these are followed?

PE

Can you practice your catching and throwing skills. If you have a bat at home, you could practice your batting skills too.
