

Reading

Look at the picture and answer these questions.

What are the creatures doing?

How are they similar?

How are they different?

Are they butterflies or fireflies, or something else?

What might they be saying to one another?

Why is the picture called 'Flutterers'?

Maths

2) Solve the word problems using the formal method for multiplication.

- a) A baker makes 4 boxes of cookies. Each box contains 12 cookies.
How many cookies are there in total?

$$\square \times \square = \square$$

Tens	Ones

T	O

- b) A man runs 22 kilometres a day. How many kilometres does he run in total over 3 days?

$$\square \times \square = \square$$

Tens	Ones

T	O

Spelling

Practice spelling these common exception words— you could ask a grown up to test you.

possess

straight

Pick a challenge to complete this week.

Art

Design and make your own Roman inspired mosaic square— you can do this using material, coloured paper, sweet wrappers or anything colourful you can find.

History

Can you create a newspaper report from the perspective of a Celt farmer facing the Roman Invasion?

Science

Can you create a fact file about the human body focussing on our muscles, joints and bones?

PSHE

Design a healthy meal for you and your family— you could also include a receipt and ingredients list with your picture.

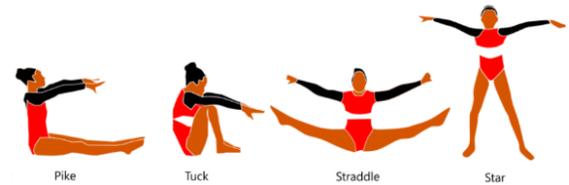

RE

Can you create a storyboard, explaining the events of Good Friday?

PE

Can you practice your gymnastic static shapes?
