Dear my Heavenly Father,

Help us to show kindness and compassion,  
Forgive Judas for his betrayal and dishonesty,  
Pray for Jesus for coping with difficulties and pain during hard  
times,  
Give thanks to the people who believe in Jesus and didn't give up,  
I hope that Jesus didn't have to  
endure a lot of pain during his  
ordeal,  
Amen.

Holy Father,

As we look back on your son's arrest, we think of how he held all of our sins on his back, how he was not afraid, in the garden of Gethsemane when he prayed three times before Judas and the soldiers came.

Jesus remained resolute and faithful to your will. He never gave up hope even though he faced betrayal and loneliness.

Lord whenever we feel down help us to get back up just how Jesus never gave up on you. He showed us that even in suffering, there is greater purpose, a path to glory that we are called to walk with him.

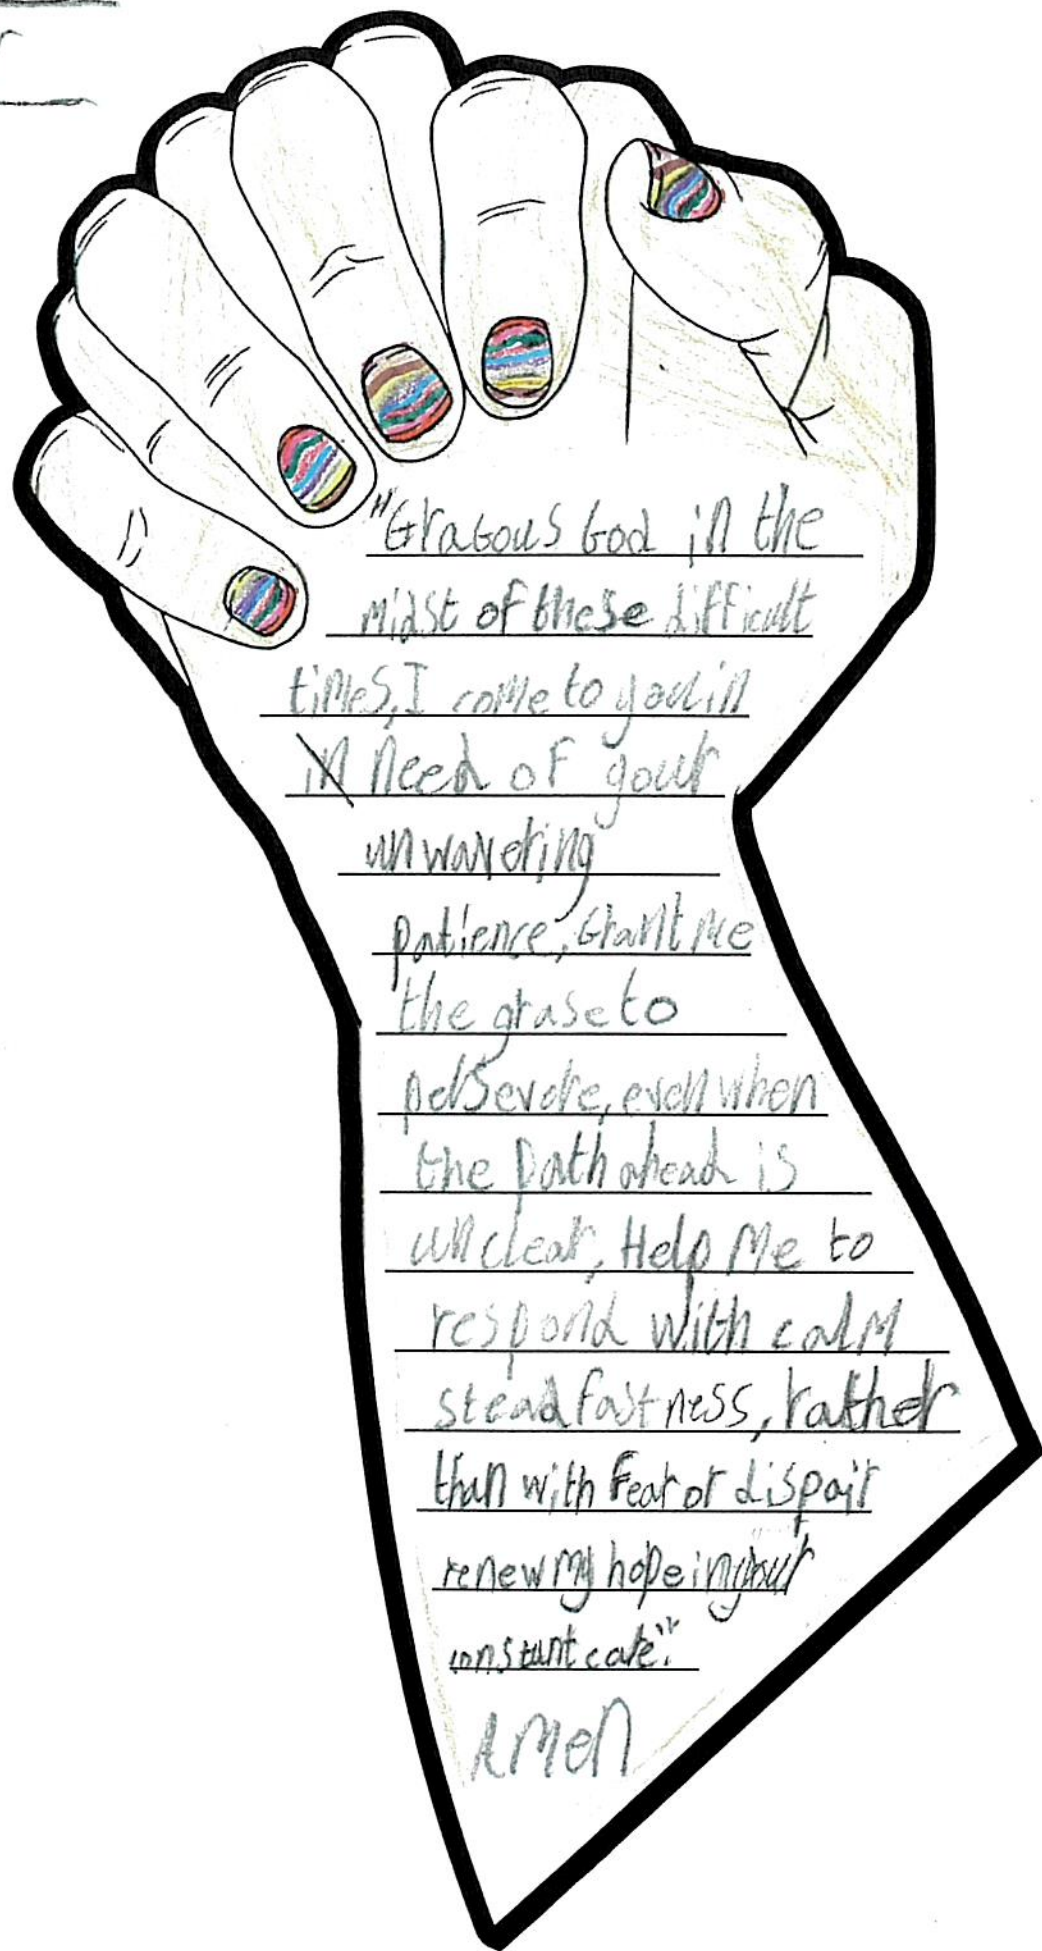

Help us to persevere and have patience through any hard times we have. Teach us to rely on your strength and trust you, Jesus and the holy spirit no matter what. You are always watching and will know whenever we need help.

In the name of Jesus, who endured all things for our sake.

Amen.

Heavenly Father /

When we think about your son's resurrection, we know that  
he was trusting you, Lord. Trusting in your kindness, love and  
courage. /

Jesus knew that you would protect him, like the story of  
resurrection shows us the power of love, kindness,  
forgiveness and respect. Thank you so much. /

Lord, you give us courage to fight our biggest fears. The story  
shows that to never forget about God's love and that he will  
always be protecting us, no matter what. And also shows  
new life always. We will forever know that Jesus overcome  
death and we can all stay strong. /

May we all find strength and courage in Jesus's love and  
peace in grace. We never are abandoned because God's love  
will always be there. Do not be discouraged and respect that  
God will forever be with us. /

In the name of the risen lord //

Amen .
