

## Phonics, Spelling and Decoding

Practice reading and spelling these Year 2 common exception words.

floor  
gold  
grass  
great  
half  
hold

## Mental maths and fluency

Practice counting in your 2s. Can you count forwards and backwards?

## Reading

Look at the picture and answer these questions.

What sort of book do you think the girl is reading?

How do you think she feels? Why do you think this?

Do you think she is enjoying the book? Why?

## Maths

Complete these addition and subtraction calculations

$$9 + 1 =$$

$$9 - 1 =$$

$$6 + 4 =$$

$$6 - 4 =$$

$$5 + 5 =$$

$$5 - 5 =$$

$$7 - 3 =$$

$$7 + 3 =$$

Pick a challenge to complete this week.

**DT**

Can you make a model of your favourite animal including moving parts? This could be lift the flaps, slides or levers.

**History**

Can you create a fact file about different jobs people did during the Industrial Revolution in the Black Country?

**Science**

Can you create a set of instructions on how to care for a plant? Remember to include all of the things it needs to survive.

**PSHE**

Draw a picture showing all of your favourite things— this can be your favourite colour, thing to eat, place to go and people. Then ask a grown up their favourite things, are they the same or different to yours?

**RE**

Can you create a poster to show the different communities you belong too.

**PE**

Can you practice your balancing skills? Can you balance on one leg like a flamingo?
